

Let **Goodwill** Make Fundraising Easy!

We love win-win situations, and if you help us advance our Mission of putting people to work, we'll help you raise money for your team, club, cause, or organization! It's as easy as:

- 1 **Conduct a Donation Drive:** Fill out an application and we will help you get started right away!
- 2 **You Promote:** You will receive flyers from us to distribute to friends, families, coworkers, etc., to promote your donation drive.
- 3 **We Will Handle the Logistics:** We will deliver the donation bins; we will help you set them up; and we will come back and collect the donations.
- 4 **You Make the Money:** For every 6 bins of donations you collect, we will cut you a check for \$500. For every 12 bins of donations you collect, we will cut you a check for \$1,000...and so on.

How it Works:

Upon approval of your donation drive, we will contact you to determine when and where you'd like the donation drive to take place. We will create and give you flyers to help you advertise your donation drive and deliver the equipment. The more successful your donation drive is, the more money you will raise!
